On behalf of the Superintendent of Insurance, I hereby submit his annual report on the insurance industry for 1983.

The contents of the statistical portion of the report are outlined in Mr. Fagan's letter to the undersigned and is attached.

RE: Annual Report of the Superintendent of Insurance, 1983 Business

Enclosed is my annual report on the insurance industry in Newfoundland for 1983.

The report is composed of five statistical tables which provide the following information:

| | |
|---|---|
| Table I | Summary of Premiums and Other Considerations and Claims and Other Disbursements for All Classes of Insurance; |
| Table II | Direct Amounts of Life Insurance in Force on December 31, 1983; |
| Table III | Direct Life Insurance Premiums, Annuity Considerations and Disbursements to Policy-owners; |
| Table IV | Accident and Sickness Insurance Direct Premiums Written and Direct Claims Incurred; |
| Table V | Property and Casualty Insurance Direct Premiums Written and Direct Claims Incurred. |

The information in Table I is presented by class of insurance and that in Tables II to V, by insurer.

/2

The report also includes a register of all insurers licensed to transact business in Newfoundland, indicating the class of licence issued to each.

The following is a report of the activities of the Office of the Superintendent of Insurance for 1983.

SIGNIFICANT ACTIVITIES:

Work on the revisions to The Insurance Adjusters Act continued throughout 1983. Meetings were held with representatives of the Newfoundland Insurance Adjusters Association, Insurance Brokers Association of Newfoundland, General Insurance Forum of Newfoundland, Insurance Bureau of Canada and Newfoundland and Labrador Risk and Insurance Managers Society regarding these revisions. At the end of 1983, the revisions had been thoroughly reviewed and only fine tuning by our Office and the Office of the Legislative Council was required to complete the proposed legislation.

Several meetings were also held with the organizations noted above regarding proposed revisions to The Life and Accident Insurance Agents (Licensing) Act. These meetings have not yet resulted in a concensus on several contention matters. Work is continuing on this project with completion scheduled for 1984.

The introduction of Facility Association as the pooling mechanism for sub-standard automobile insurance risks was the subject of a series of meetings with Association officials and various other groups. The outstanding concerns appeared close to resolution by the end of 1983, and introduction of the Facility Association is anticipated for 1984.

The first audit of the provincial insurance companies to be made by Divisional staff was completed in 1983. These audits, in general, indicated those companies were in reasonable financial condition given general industry conditions. Another audit of each company will be made in 1984.

Meetings were begun in late 1983 to review The Insurance Companies Act. It is intended that this review will update the provisions of this Act and bring many of the requirements under this Act in line with current practices in other Canadian jurisdictions.

LEGISLATION:

Two amendments to The Automobile Insurance Act were proclaimed into force by the Lieutenant-Governor in Council in August, 1983. One of these amendments dealt with the deletion of legislative permission to exclude passengers from liability coverage. The other revised Statutory Condition 6(3) to increase the prescription period from one year to two.

An amendment to The Accident and Sickness Insurance Act received Royal Assent in December 1983. This amendment added a provision to the Act that benefits for accidental damage to natural teeth under a group insurance contract are continued after the contract is terminated when the accident occured prior to the termination of the contract provided the damage is reported within a specified period.

Amendments to all fee schedules made pursuant to The Insurance Companies Act, The Life and Accident Insurance Agents (Licensing) Act and The Insurance Adjusters Act were secured during 1983. The increases in licensing fees were to take effect on April 1, 1984.

GENERAL INSURANCE CONFERENCE:

On February 15 the Superintendent hosted a conference at which cash flow underwriting and general market conditions were discussed. Representatives of the Insurers Advisory Organization, Insurance Bureau of Canada and the Board of Commissioners of Public Utilities made presentations to the conference. In addition, representatives of these organizations, provincial and federal insurers, agents and brokers, reinsurers and actuarial firms participated in panel discussions.

The conference was attended by a large representation of persons involved in all facets of the insurance industry at both the provincial and national level.

CONSUMER ACTIVITIES:

The Division prepared several drafts of an information brochure respecting automobile insurance. At the end of 1983, this work was approaching completion. Publication of the brochure, to be entitled Automobile Insurance: Are You Covered for Everything?, was scheduled for the Spring of 1984. This will be the first of a series of brochures the Division intends to develop as part of its consumer education program.

On January 1, 1983, the Division had on hand 33 unresolved consumer complaints respecting insurance. During 1983 we received 166 complaints and resolved 179. This left 20 complaints unresolved on December 31, 1983.

This represented a reduction in the number of complaints received by 110 when compared to 1982. As I noted in my report last year, many of the complaints we receive result in our informing the consumer the insurer, agent or adjuster is acting within the terms of the contract and our legislation. This was also true in 1983.

We also received 261 requests for information from the public. This was a small increase over the 1982 figure of 233. We also received 69 requests for information from agents and adjusters and 42 requests from insurers.

The following is a summary of licences issued by the Division in force at the end of the licensing year beginning in 1983.
